Medical Education  
Melbourne Medical School

## Health professions education: Research, scholarship and engagement

### Symposium

The Department of Medical Education invites you to a symposium for health professions' researchers, clinical teachers, clinicians, and educators. The symposium will cover:

- Preparation for learning and practice
- Education in clinical settings
- Assessment of learning
- Faculty development and leadership.

### Book launch

The symposium includes the launch of *Learning and Teaching in Clinical Contexts: A Practical Guide*, edited by Clare Delany and Elizabeth Molloy, Elsevier, 2018.
