

Victorian Pelvic Pain Symposium

Melbourne Convention & Exhibition Centre

13 June 2024

9am to 4:30pm

- A day to focus on understanding, treating, and supporting women with pelvic pain across the patient journey.
- Hear from a range of speakers including specialist clinicians, consumers, researchers and peak bodies.
- Featuring expert panel discussions, Q&A, and TED style presentations across the day, and food/refreshment breaks.
- Delivered in collaboration with the Royal Australian College of General Practitioners.
- This is a free, fully catered in-person event, and offering CPD hours for RACGP members.
