

Timing from request to deployment of data varies depending on project. Data Governance Committee meets quarterly.

Key

- PMG = Patron Management Group, Department of General Practice
- UoM = University of Melbourne
- Researchers (internal or external to UoM)
- DGC = Independent Data Governance Committee
- Human Research Ethics Committee (NHMRC approved).
- * Data Governance Committee approval can be granted pending ethics approval. It is researchers' responsibility to gain Ethics Committee approval

† Two discretionary change requests allowed in first month of receipt of data. Some change requests, particularly if occurring after the first month, may incur fees, and may require reassessment by the Data Governance Committee.
