

Timing from request to deployment of data varies depending on project. Data Governance Committee meets quarterly.

† Two discretionary change requests allowed in first month of receipt of data. Some change requests, particularly if occurring after the first month, may incur fees, and may require reassessment by the Data Governance Committee. (See change request flow chart)

**Key**

- UoM (The University of Melbourne)
- HaBIC R<sup>2</sup>: Department of General Practice
- Researchers (internal or external to UoM)
- Independent Data Governance Committee
- Human Research Ethics Committee (NHMRC approved)
- \* It is researchers' responsibility to gain Ethics Committee approval
